jansen.solayao@bipsu.edu.ph

A dedicated Computer Science student with a strong foundation in design, graphic creation, teamwork, and problem-solving. While currently at an advanced beginner level in programming, I am motivated and eager to learn. Seeking an opportunity to apply my technical skills, grow professionally, and learn from experts to contribute to innovative projects and solutions.

## EXPERIENCE

### The Pillar Publication, Naval, Biliran — *Photojournalist*

August 2024 - Present
